Headline:
Becoming drier overnight with sunny spells tomorrow.

This Evening and Tonight:
Outbreaks of rain at first easing during the evening. Cloud breaking and winds easing, to leave a dry night with clear spells, perhaps giving a ground frost in prone spots. Minimum temperature 1 deg C (34 deg F).

Monday:
Mostly dry on Monday with plenty of sunny spells. Just a chance of the odd shower around lunchtime. Feeling milder in light winds. Rain arriving in the evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:
Cloudy with rain to start Tuesday, rain clearing later but remaining largely cloudy. Becoming windy Tuesday, easing early Wednesday. Largely cloudy Wednesday and Thursday with some occasional brightness.
